## PRESIDENT'S RAMBLINGS

Greetings Marines and Friends,

Please excuse me a moment while I go wipe the yellow pollen off my car! Now that I've done that, let's get on with the "President's Ramblings".

First, those of you who ordered the new chapter shirt may pick it up at the April meeting... See Greg Melnick. Those who paid to have them mailed, should receive them soon in the mail, but if you'd like to pick it up at the meeting, we can have it there... let me know, so I won't take it to the post office.

Most of you received an email with the obituary for Mitzi Danowitz who passed away on March 9. Many of you will remember Mitzi as the wife of Colonel Ed Danowitz (Deceased in 2012) who was a leader in the chapter and former national president of the 3<sup>rd</sup> Marine Division Assoc. Mitzi was always by his side and attended many of our Valentine "Sweetheart Dinners." She always enjoyed getting the "Ooo Rah" and would often call me to comment on something she saw in the newsletter. Rest in peace, Mitzi... a gracious and beautiful lady.

We are looking forward to welcoming MajGen. James Hartsell back to our chapter to provide the program for our April meeting. MajGen Hartsell's illustrious USMC career is outlined below. You should make sure to come on April 6 to hear his presentation.

Susan Finnigan and I just returned from the 1<sup>st</sup> Marine Division Association's Spring Director's meeting in San Antonio, TX. At the meeting, we met with Orlando Garcia of the San Antonio Chapter. He presented the association's officers with a packet of information regarding the upcoming annual reunion of the association which will take place at the Holiday Inn Riverwalk. This is shaping up to be one of the best reunions ever. See page 3 for more details on the San Antonio reunion.

As we approach Memorial Day, I urge you to look for a Memorial Day service convenient to you and take the family for one of these patriotic and moving ceremonies. There are too many to name here... look them up as the day approaches.

Semper Fidelis, Mike

### MajGen James "Hammer" Hartsell to Provide Program for April Meeting

**NEW SHIRTS ARE IN...  
WILL BE HANDED OUT AT  
APRIL MEETING**

Retired Marine Corps Major General James S. "Hammer" Hartsell has served as Executive Director of the Florida Department of Veterans' Affairs since May 4, 2021. General Hartsell served in the United States Marine Corps with honor for 37 years of active and reserve duty, beginning as an enlisted Marine in 1981 and completing a distinguished and highly decorated military career as a Major General. As a Lieutenant Colonel commanding the 4th Reconnaissance Battalion in 2001-2003, he was mobilized in support of Operation Iraqi Freedom 1 and awarded the Meritorious Service Medal. In 2004, he was mobilized again and deployed for Operation Iraqi Freedom 2 as 1st Marine Division Senior Liaison to the Marine Expeditionary Force and awarded the Bronze Star and Combat Action Ribbon.

## A U.S. Marine Corps Monument in Central Florida

By  
Mike Galyean

In January of 2011 the "Ooo Rah" newsletter ran an article about the proposal to construct a monument to the United States Marine Corps at the newly created Orlando Veterans Park. The park is located on just over 4 acres of land on the north shore of Lake Baldwin at the border of the cities of Orlando and Winter Park, near the entrance to the Lake Baldwin VA Clinic. Even though the address is on Lake Baldwin Lane, it is accessed

from a parking lot on Raymond Street which runs east from Lakemont Ave. in Winter Park. The park was created in honor of our military veterans and their contribution to the citizens of the United States. Large live-oak trees, with draping Spanish Moss, shade much of the park and the small gazebo overlooks pretty lake views. The Lake Baldwin Park trail connects the park to Orlando's Blue Jacket Park, Lake Baldwin Harbor Parks and Winter Park's Dog Park. Central Florida Veterans Memorial Park Foundation maintains a perpetual lease on the park property.

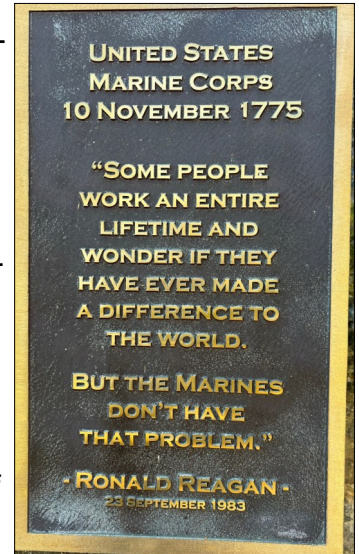

From the parking lot on Raymond Street (across from the Lake Baldwin VA Clinic) you may take a short walk down the sidewalk that runs south from the parking lot. Turn right at the intersecting walkway and the monument will be on your right.

In January of 2011, the Central Florida Marine Corps Foundation (CFMCF) was facilitating the creation and dedication of the only Marine memorial in the City of Orlando. The CFMCF worked with Marine veteran organizations in the Central Florida area to design, fund, construct, and install the Marine monument at the Central Florida Veterans Memorial Park. Members of the Central Florida Chapter of the 1<sup>st</sup> Marine Division Association were an integral part of the leadership and fund-raising effort toward the goal of constructing this monument. The monument was constructed to honor Marines of the past, present, and future. It was intended to be a place of reflection for Marines, family members, friends, and colleagues, and where the public can become more aware of Marine Corps history.

The monument is 5-sided green obelisk approximately 8½ feet tall with a base 4 feet in diameter. One side contains a plaque and the four other sides are dedicated to the major conflicts involving the Marine Corps during the 18<sup>th</sup>, 19<sup>th</sup>, 20<sup>th</sup> and the 21<sup>st</sup> centuries with the names and dates of the principal conflicts. It was constructed of green granite with a brass Marine Corps emblem (Eagle, Globe, and Anchor) atop the monument. The plaque contains the famous quote by President Ronald Reagan from Sept 23, 1983, "Some people work an entire lifetime and wonder if they ever made a difference to the world. But the Marines don't have that problem." The monument is hollow, to allow for a "time capsule" whose contents were accepted by donation. Contents include rocks and/or soil from "hallowed ground" (e.g., sands of Iwo Jima, red clay from Khe Sanh).

Members of the Central Florida Chapter, 1st Marine Division Association at the dedication ceremony on July 11, 2011, L to R: Col. Bill Tate, Art Dreves, Mike Galyean, Russ Kauffman, Greg Melnick, Elmer Hawkins, Rick Kennedy, Charlie Ross, not pictured John Adamson and Col. Harry Clarke.

At the time the initial article was printed in the "Ooo rah," a little over half of the needed \$19,000 had been raised. Our Central Florida Chapter donated \$500, and 13 of the 24 individual donors at that time were 1st Marine Division Association members. However, there was more to be done and the Foundation successfully went forward with plans to raise the rest of the money.

(Continued on page 3)

(Continued from page 2... Marine Monument)

In record time the funds were raised and the dedication of the United States Marine Corps Monument took place on July 11, 2011. July 11 was the date of the "re-birth" of the Marine Corps after the Revolutionary War. A large number of Central Florida 1<sup>st</sup> Marine Division Association members were present and some took part in the dedication ceremonies.

If you have never visited the monument, you are encouraged to take a few minutes and take a look, perhaps before or after your next visit to the VA Clinic. Other monuments that can be found at the Orlando Veterans Memorial Park are: Daughters of the American Revolution, the very impressive Vietnamese-American Memorial, the Fleet Reserve Association,

the Italian-American War Veterans of the United States, Central Florida Veterans Park Foundation, Colonial Dames, the Purple Heart Association, as well as the United States Marine Corps monument. An interesting white pillar stands at the exit from the parking lot... although the plaque has been stolen and there are no inscriptions on the pillar, it is all that remains of a veterans' memorial that had been installed at the old Orlando Navy base.

(Continued from page 1—MajGen Hartsell)

As a Colonel he was mobilized and deployed for Operation Enduring Freedom (Afghanistan) as Senior Liaison to NATO Regional Command – South and was awarded the Legion of Merit and Combat Action Ribbon. General Hartsell served as Commanding General of the 4th Marine Division comprised of 18,000 Sailors and Marines in 37 states and during his command deployed units and teams to five Continents in support of the Global War on Terror. He then served as U.S. Pacific Command Mobilization Assistant to the Commander, as J5 Strategy & Policy Director, and as Chief of Staff of the 360,000 participant United States Pacific Command and was awarded the Defense Superior Service Medal. A very accomplished Marksman throughout his entire career, he was the first Marine Distinguished Shooter to achieve General Officer rank in over 60 years.

As Director of the Department of Defense Asia Pacific Center for Security Studies, General Hartsell worked under authority and direction of the Under Secretary of Defense for Policy and personally engaged senior level U.S. and Foreign Military and Civilian government delegations in Washington, D.C. and abroad in the Indo-Pacific Theater.

Many of our chapter members will remember MajGen Hartsell from our "SOS Breakfast" in 2020 and also as a special guest at Elmer Hawkins' 100<sup>th</sup> birthday celebration.

Welcome Back General Hartsell!

## 1st Marine Division Regimental History

Division regiments were in existence as early as March 8, 1911, when the 1st Marine Regiment was formed at Guantanamo Bay, Cuba. The Marines saw action in Haiti in 1915, the Dominican Republic in 1916, and throughout the Caribbean during World War I.

The 5th Marine Regiment was established on July 13, 1914, in Veracruz, Mexico. In 1925, they served in Santo Domingo, Dominican Republic, and participated in 15 major engagements during World War I. These include Belleau Wood, Chateau -Thierry and St. Mihiel. On August 14, 1917,

7th Marine Regiment was activated in Philadelphia. It spent the duration of World War I in Cuba and was disbanded after the war. It was reactivated in 1941.

11th Marines was formed in January 1918 in Quantico, Va., as a light artillery regiment. The Regiment went to France as an infantry unit, providing a machine gun company and a guard company. Decommissioned and reactivated twice between world wars, the Regiment again served as infantry in Nicaragua. Re-formed in 1940 as a full-fledged artillery unit, 11th Marines joined 1st Marine Division.
